QUESTIONARIUM

Hybrid Animals

Create your very own silly hybrid animal!

Caregivers, join in too!

Instructions:

Close your eyes and pick two slips of paper from the container.

Combine the two animals into one and come up with a name for the new creature! Draw a picture of your animal and describe it.

Questions:

1. What are some of the characteristics of your hybrid animal? Where would it live? What would it eat?
2. Ligers and zonkeys are examples of real hybrid animals. How do you think they got their names?
