

Learn about character design with Meneka Repka

Subject: Creative Arts and Social Studies

Grades: K – 6

Explore character design through drawing and imagination with illustrator Meneka Repka. Students will experiment with shapes, expressions, and art techniques to create characters and use visual storytelling to share ideas.

Learning Outcome

- Students will explore different ways to draw and how to refine their art through an artist demonstration.
- Students will learn to use different art mediums and technology to tell a story or demonstrate a sequence of events.
- Students learn about cultures of diverse communities.
