LEARNING RESOURCE PACK

Storytelling Through Stop Motion

Create your own stories using different art mediums.

Subject: STEM and Creative Arts (Drawing)

Grades: K – 6

Activities

There are many ways that we can create and share stories. With the activities below, your students will learn to use different art mediums and technology to tell a story or demonstrate a sequence of events. They will get to be creative and try something new with stop motion animator Michael Kohlweg of Mountain Fold Studio.

Page, a stop motion animation.
